

KAWARTHA LAKES MINOR LACROSSE ASSOCIATION
2017 PLAYER RELEASE POLICY

1. The Kawartha Lakes Minor Lacrosse Association (KLMLA) will not release any player that resides within the official boundaries of the association as defined by the Ontario Lacrosse Association.
2. Current KLMLA members who reside in areas currently not supported by an association will be required to make a decision on where they wish to play in the upcoming season. Those choosing to play for the KLMLA will be bound by the "no release" policy going forward.
3. New players wishing to play for the KLMLA and reside in an area that is not supported by an existing association will be accepted.
4. The KLMLA will not accept players from other associations.
5. The KLMLA will not accept players that reside within the boundaries of another association.
6. The KLMLA will not release any player not registered first with the KLMLA by March 28th, 2017.

All requests should be directed to the President (pres@kawarthalakeslacrosse.ca) who will advise the requesting party of the No Release Policy, and discuss with them the reasons for such policy. If the requesting party wishes to further pursue the release, then an official release request would be directed to the Release Committee.

The KLMLA recognizes that in certain circumstances a situation may arise where it is in the best interest of the player to be released to play for another association. All requests must be submitted in writing to the KLMLA President with a copy sent to the KLMLA Secretary. The request will be brought forward and heard by the KLMLA Release Dispute and Appeal Committee. The requesting party may be present for the hearing. The KLMLA Release Dispute and Appeal Committee will make a decision to support or deny the request. If supported, the release will be granted, however, it may be deemed a conditional release. Only the KLMLA President or his/her designate, may sign the release document.

As per the KLMLA Constitution, the decision of the KLMLA Release Dispute and Appeal Committee is final. Minutes from all committee meetings will be presented to the KLMLA Board of Directors.

The requesting party will be informed in writing of the Committee's decision.

*****PLEASE NOTE*****

You must complete the Ontario Lacrosse Association Release Request Form and forward to your home association, along with your written letter. The form can be obtained by visiting:
